

# Discover Your Way To Serve In 2026!

Looking for a way to make a difference and connect with your church family? Here are some ways you can get involved—whether you love music, enjoy welcoming others, or want to support our ministries behind the scenes:

- **Be a Worship Reader:** Help lead liturgy and bring the service to life with your voice. Every reading is a chance to inspire and uplift. Speak with Christy Reinsel, and she'll get you on the schedule.
- **Sunday Morning Greeter:** Be the friendly face that welcomes everyone and hands out bulletins. Your smile sets the tone for a joyful worship experience. Speak with Dianne Tyler, and she'll give you the details.
- **Coffee Hour Host:** Create a warm, inviting space for fellowship after the service. Brew coffee, share treats, and spark new friendships. Sign up in the Assembly Room.
- **Sound/AV Team Member:** Love technology? Help make worship seamless by joining the team that manages sound and visuals. Your skills keep our message clear. Speak with Jenn McClure or Jane Livingston. We'll train you.
- **Sanctuary Flower Contributor:** Brighten our worship space and add joy to our gatherings by bringing flowers. Sign up in the Assembly Room.
- **Bell Choir or Chancel Choir:** Ring or sing! Join our musical teams and help fill the sanctuary with uplifting music. No experience required. Speak with Jane Livingston. Rehearsals are held on Thursday evenings.
- **Library Board Service:** Support learning and growth by helping guide our church library. Your ideas can help others discover new resources. Speak with Jan Trojanowski.
- **E-Prayer Chain Member:** Join our prayer network and lift others up in times of need. Your prayers make a real difference. Email Jane Livingston at [jmlivingston20@outlook.com](mailto:jmlivingston20@outlook.com), and she'll add you to the email group.
- **Ministry Innovator:** Have a passion project or a new idea? Suggest a ministry for our church to support, inspired by Matthew 25. Speak with Pastor Gregg.
- **Invite a Friend:** Share the joy of worship—bring someone along and help them feel at home in our church family. This one's on you!
